

First Stage BEAD Representative

What is BEAD?

BEAD stands for:

- Belonging
- Equity
- Accessibility
- Diversity

The BEAD committee exists so everyone at First Stage knows and feels that they belong by building an inclusive culture.

What does a BEAD rep do?

A BEAD rep is an advocate.

The BEAD rep will:

- Help you address any concerns
- Use discretion
- Remove obstacles
- We encourage you to communicate your needs

Your BEAD rep is Michelle LoRicco (mloricco@firststage.org).
Your Stage Manager is your first point of contact; in the event that you feel uncomfortable speaking with them, you may contact your BEAD rep.

Alternate BEAD contact: Samantha Montgomery,
smongomery@firststage.org.
