SOCIAL NARRATIVE

FIRST STAGE

TRANSFORMING LIVES THROUGH THEATER

I am going to see a First Stage show at the Milwaukee Youth Arts Center.

When I Arrive

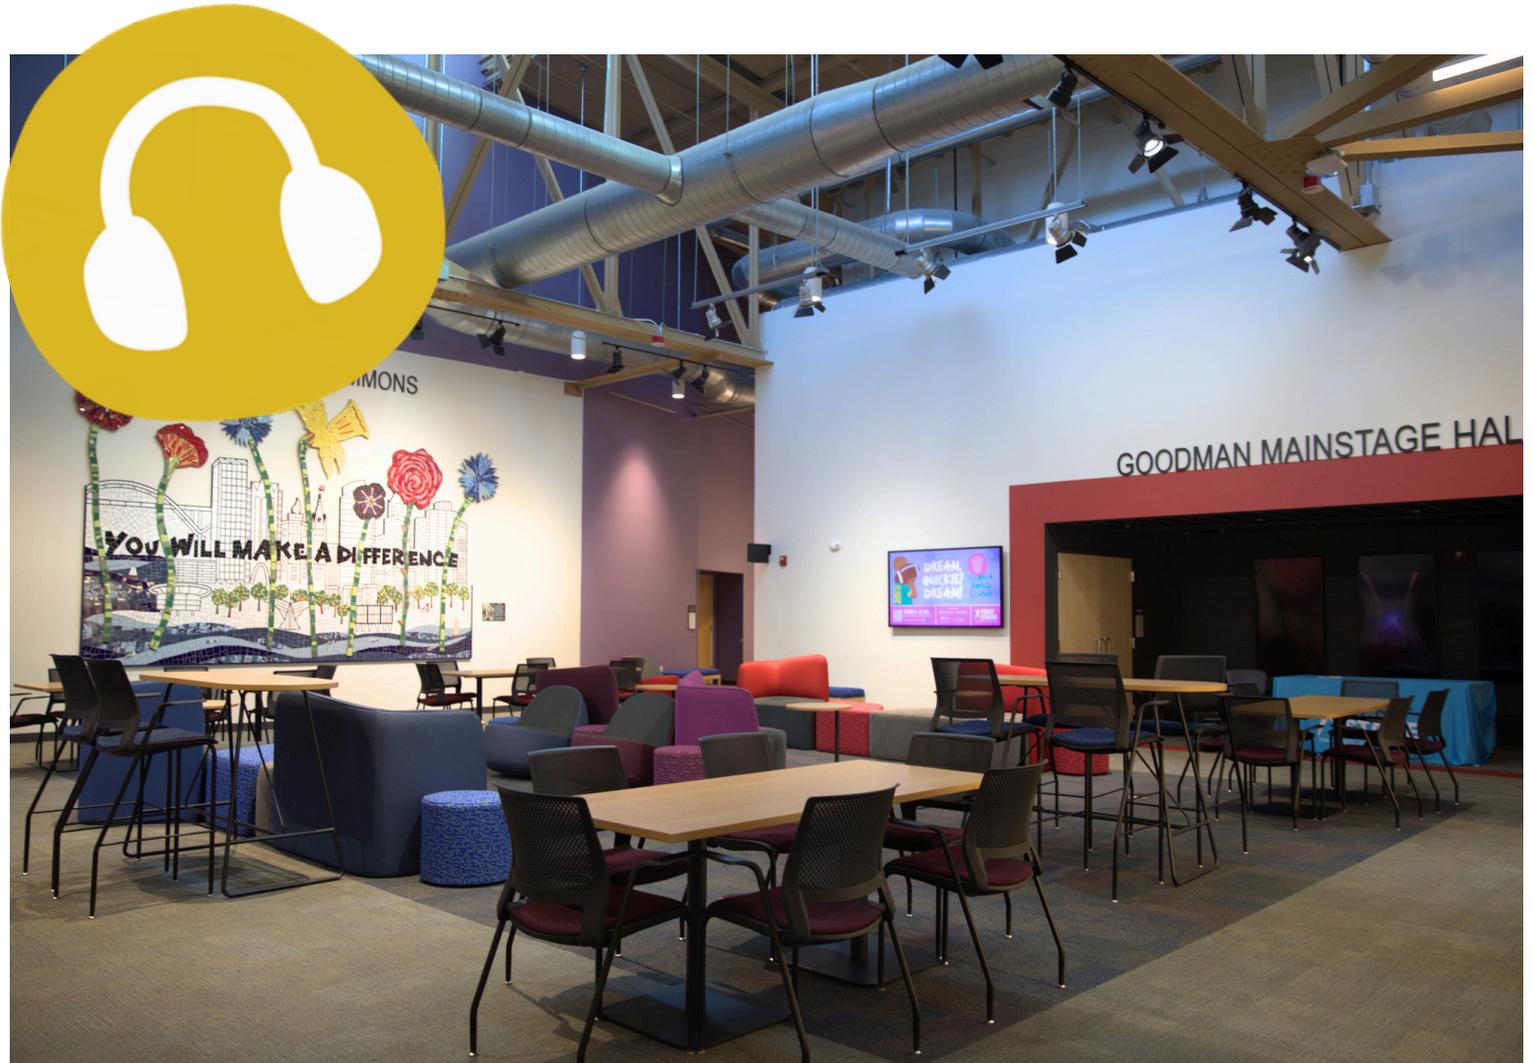

When I arrive, I will enter through the automatic doors with my group or family.

When I Arrive

A friendly staff member will direct us down a hallway to the Goodman Theater.

Headphone Zone

The Milwaukee Youth Arts Center Commons is considered a Headphone Zone as many different people gather in this space. I might feel most comfortable wearing my headphones while I'm visiting.

Tickets

Next, I will need to have my ticket scanned. Soon I will be inside enjoying the show!

Sensory Bag

If I would like I can borrow a Sensory Bag. Sensory Bags can be requested from a friendly staff member.

Sensory Bag

There are items in the Sensory Bag that can help me feel calm: noise-cancelling headphones, fidget tools, a communication card, and info booklet about the theater.

Finding My Seat

There are many seats in the Goodman Theater. If I need help finding my seat, I can ask a friendly staff member.

Finding My Seat

The audience area is for all of us.

The stage is for the actors only.

Staff

If I have any questions or I need help, I can ask a staff member. They wear a First Stage Badge with the logo on it or a Volunteer Badge.

Headphone Zone

The Goodman Theater is considered a headphone zone as there can be loud sounds during the show. I might feel most comfortable wearing my headphones while I'm visiting.

Snacks and Drinks

If I get hungry or thirsty, I can visit the refreshment table for a tasty treat.

Restrooms

Restrooms are located in the Commons. If I need help finding the restrooms, I can ask a friendly staff member for help.

Leaving

There may be many people leaving the Goodman Theater at the same time when the show is over. I should stay with my group or family and leave together.

See You Next Time!

I had a great day at the Milwaukee Youth Arts Center. Knowing what to expect made it fun and easy. I can't wait to go back!
