

# MILWAUKEE Youth Arts Center

The Milwaukee Youth Arts Center and MYSO remain committed to the safety of all those who come through our doors. We are pleased to take another step forward in accordance with CDC recommendations and will be making the following changes as of August 16, 2021:

- All individuals, vaccinated or unvaccinated, must wear a mask in all public spaces in MYAC, including upon entry, exit, all hallways, Commons areas, and restrooms.
- **Based on current CDC guidance, unvaccinated individuals should remain masked throughout the facility.**
  - Per [CDC Guidance](#): “If you are not fully vaccinated and aged 2 or older, you should wear a mask in indoor public places.”<sup>1</sup>
  - MYAC asks that everyone’s personal masking choices are respected whether they are wearing a mask or not.
- MYAC’s common spaces will be reopened to parents and families with spatial distancing strongly encouraged.

MYAC will maintain the following measures:

- Encourage a mask friendly environment
- Provide hand sanitizing stations throughout the facility
- Encourage proper handwashing
- Enhanced facility cleaning with FDA approved products
- Increased fresh air flow cycling, high quality HEPA air filters through all spaces and Bipolar ionization air filtration, which neutralizes airborne pathogens throughout the facility
- **MYAC and MYSO asks that if you feel ill or are presenting any Covid-19 symptoms, please stay home.**

*As we continue to monitor pandemic considerations, MYAC and MYSO protocols are subject to change based on CDC, state, and local guidelines.*
